Subject: Opposition to free delivery of blue boxes and green bins

I wish to express my complete opposition to Councillor Perrelli's motion to cover pickup and delivery costs for new blue boxes and green bins. I believe the operational costs in time and labour will far exceed the minimal cost in time and labour required by a resident to exchange the bins themselves. I see this as a complete waste of City of Richmond Hill resources for no actual benefit. Should a resident have legitimate challenge with the exchange, such as mobility or other disability issues, I am certain the City of Richmond Hill has an existing mechanism to assist such residents.

Please vote AGAINST this motion and use our taxpayer funds on more relevant and cost-efficient measures.

Sincerely,
Kristi Kanitz
