Hello,

I'm writing in response to a proposed motion by Beros to change the decision that Perrelli has to repay the taxpayers for his "blue bin" event last year.

I am disgusted that this is even being brought forward. Perrelli should indeed pay and his "buddies " should not be attempting to bail him out with taxpayer monies.

The decision was made that he needs to pay, and that should stand.

I cannot believe that this motion is even being presented.

Losing faith in the people running the City of Richmond Hill.

Please do the right thing and make Perrelli accountable for his misdoings.

Hello,

I am absolutely disgusted that Beros is putting forward a motion to relieve Perrelli of his nearly \$140000.00 bill he owes the City of Richmond Hill. Perrelli very much deserves to pay for this, and in no way should this fall on the taxpayers. I am imploring you to do the right thing and dismiss this motion for the absurdity that it is. Please send a clear message to Perrelli and Beros that Richmond Hill will no longer put up with theses games and careless use of taxpayer monies.
