**Subject:** Motion by Greg Beros to rescind a council decision on Carmine Perrelli

Whereas on October 13, 2021, in connection with agenda item SRCM.21.12, Members of Council passed a resolution moved by then Councillor West and seconded by Acting Mayor DiPaola that Council requires Regional Councillor Perrelli to provide full reimbursement to the City for the Enviro Day event such that no taxpayer dollars will be used to cover the amount owing of \$139,623.30 (the "SCRM.21.12 Resolution");

This resolution was passed by council and I as a citizen of The City of Richmond Hill strongly oppose councillor Bero's motion and his attempt to have this motion rescinded. I ask all of you on city council to strongly oppose the motion by Mr. Beros and to let the resolution that was passed by council in October of 2021 to stand as is. As a taxpayer the decision to spend my tax money does not fall into the hands of a solitary councillor but rather it should be spent through a democratic process of the whole council.

We the citizens are watching this process and this vote very closely.

Thank You
