Subject: In regards to councillor Beros' motion

Hi there,

I'm a resident and voter in ward 4, and I just wanted to urge you to ensure that Councillor Beros' motion regarding Councillor Perrelli's Enviro Day event does not pass.

Councillor Perrelli should continue to be held accountable for his misuse of public funds, and reimburse the full amount as already decided.

I'd also suggest that if these funds are not forthcoming that he be removed from office for corruption.

Regards
