Subject: 2022-Jun-8 Member Motion - Councillor Beros - Regional and Local Councillor Perrelli's Enviro Day Event Exemption from the Events Policy

To the City Clerk and Council Members,

This email is regarding the Member Motion - Councillor Beros - Regional and Local Councillor Perrelli's Enviro Day Event Exemption from the Events Policy

My understanding then and now is that the blue and green bin replacements were offered for free to the residents by the Councillor AND at no cost whatsoever to the city.

Therefore regardless of all the arguments presented, at the end of the day, the city must not bear the cost for any of the replacement bins given out in the Councillor's event or any costs related to the event.

It is my hope and expectation that the motion will be voted down.

Thank you,
RH resident
