Subject: POINT OF ORDER! Carmine Perrelli's Blue Bin Initiatives

Dear Members of Richmond Hill Council and Mayor David West,

The community has recently become aware of Greg Beros' motion to waive the \$140k owed by Carmine Perelli to the City of Richmond Hill for his blue bin "Enviro Day" initiative .

To this, I say "POINT OF ORDER!!! POINT OF ORDER!!!".

As a concerned citizen of Richmond Hill, I find this unacceptable. Mr Perelli offered the community to "bring in your old damaged bin and I will exchange it for a new one, free of charge". This was Perelli's own initiative, not the City of Richmond Hill's. As such, Mr Perelli should pay this fine himself.

I do not wish my tax dollars to be on the hook for Mr Perelli's initiatives.

A concerned resident of Richmond Hill.

Keeping Richmond Hill Clean and Green One Property at a Time!

Do you have a damaged green or blue bin? Don't worry, on Saturday, May 15th and Sunday, May 16th, bring in your old damaged bin and I will exchange it for a new one, free of charge.

Don't need to exchange a bin but want to green your property by planting flowers, a garden, or a tree? Come by and pick up some free high quality compost, it will greatly improve your planting experience. As a special thank you to all the mothers in Richmond Hill, I will be including a free pack of flower seeds with every bin or compost load.

Bins can be pre-ordered filled with compost; otherwise you must bring your own container and shovel. Limited numbers of volunteers will be on hand to fill containers for seniors and persons with disabilities.

To have your damaged green/blue bin exchanged for free, please fill out the form below.

I am always here to help. If you have any questions or need assistance registering, please feel free to contact me by email at carmine.perrelli@richmondhill.ca or by phone at **905-771-2517**
