Hi

This refers to the the Notice put up on Cooperage Crescent, on the abovementiond subject.

We would like to express our reservation towards this project, as we believe that it will result in proliferation of altered construction in the neighborhood.

With 3 units of Single family dwellings, replacing 2 existing units, will result in disturbing the tranquility of the Cooperage Crescent, resulting in increased traffic and burden on the amenities.

The current resident invested in this neighborhood, considering the peaceful atmosphere of this Crescent.

We demand that, this project is stopped soonest.

Regards

Hasan Bilgrami
