Re Snively Reserves

ATTENTION: Stephen Huycke, City Clerk & Simone Fiore, Planner

Dear Stephen & Simone:

Please register my concerns as a resident of Oak Ridges in Richmond Hill regarding the above condo application.

I am vehemently opposed to approving this or any building over 4-5 storeys tall including parking levels pursuant to Richmond Hill's current restrictions. To consider 8 storeys is far above this limit and not in keeping with our neighbourhood. It also sets a dangerous precedent for the future. This is not an appropriate area for high rise buildings.

Thank you for registering my concerns.

Best regards, Susan Morrison
