To whom it may concern,

I am emailing to voice my objection for the 8 storey condo proposal for this site at Bayview Ans Bloomington. I urge council members to tell this builder to submit a much lower level condo (4 storeys) for this area in order to preserve the ecological sensitive lands of the Oak Ridges community. We cannot allow large scale condos in this area as it is not like other areas. Responsible building is important for all of our future.

Thank you,
