Subject: Condo application for 13572 & 13586 Bayview Avenue

Dear Sirs:

I am one of the resident in Oak Ridges. I highly object to built rise condo in Oak Ridges as this is the low density community.

As height limits for Oak Ridges are currently 4-5 storeys, there is NO reason to build high rise 8-storey or up in the above zone.

Please look deeply into this issue.
