**Subject:** Condo application for 13572 and 13586

Stephen Huycke, City Clerk,

I strongly object to the recommendation of an 8-storey condo in this location, especially as it is adjacent to a wetland. Surely a more appropriate development for these lands can be looked into, if indeed the land must be developed. Please consider what impact a multi-storied building would have on the environment.

Sincerely,  
June Regimbald
