Hi

I am a concerned resident objecting to the massive condominium development proposed in my Oak Ridges Neighbourhood located at 13572 and 13586 Bayview Ave. just meters from Forester Marsh.

I am not against development, but in favor of well-planned, responsible development which is sensitive to the environment of the Oak Ridges Moraine and consistent with the current Official Plan. An 8-storey building is absolutely not consistent (it was planned to an 11-story building last year) with the current Official Plan which permits buildings up to 4 stories in our neighborhood.

To ensure my written objections to this proposed development are received and recorded as part of the public record with the City of Richmond Hill, I am submitting my comments directly to Simone Fiore-Triumbari, the Planner assigned to this proposed application, and the City Clerk's Department.

I am also requesting that my name be added to the "Notification List" to be notified of any council and public meetings related to this proposed development.

Respectfully yours,

Ao Lou
