Subject: Litigation by Carmen Perrelli section239(2)(e)and(f)of municipal act,2001,S.O.2001

I will be at my cottage & unable to respond to this action against Richmond Hill therefore I am sending my communication now -Aug. 24.I want to stand against Mr. Perrelli & the litigation he is conducting. Please stop this man from any more manipulation of R.H. He needs to be removed from council. He has been a thorn in the side of council for years! I am a 30 yr. resident and go back to the golf club episode many years ago. He has not been stopped & continues to this day. Has he paid back the \$137,000 for blue boxes yet? The Court File. #CV-22-00002095-0000. From: Deanne M. Tyler, 60 Regent St. R.H. L4C9C3. Thank you in advance, Sincerely Deanne Tyler.
