**Subject:** Council Meeting, Item 14.3

Hello,

I am sending this email in support of the motion for Item 14.3. I moved here when I was young from Timmins, Ontario. I am a french canadian and appreciate services in french. I am glad to see this and in support of this motion. I am glad to see that Greg Beros has put this on the agenda. Our community in French is present and strong. I was rather surprised to find out that the City was offering communications in all other languages and not in our 2 official ones. This is the right thing to do. Good for the City of Richmond Hill.
