Subject: Storm Water Billing & Motion 14.6

Dear Sir or Madam,

I have a farm at 13251 Leslie Street, I would like to support the motion 14.6 presented by Councilor Muench.

I am in my 80th year and have lived on my farm for over 40 years. I neither use water, sewer or storm water facilities from Richmond Hill, however I received a bill which, annualized, would amount to over \$5000 for a storm water charge, this is an increase of nearly 7000%.

I am very disappointed that Council would put through such an onerous charge, which amounts to more than my annual real estate taxes, for services which are not provided. I would request that this tax be immediately rescinded by way of Councilor Muench's motion.

I appreciate your consideration of this matter.

Yours very truly,

John
