

To Whom it May Concern,
Re: City File: ZBLA-22-0021

My name is Jamie Goodman, and I am a resident of Richmond Hill and I also have Autism. I am 100% in favour of this application as I would not be where I am today if not for a place like this. I was able to learn many skills that I did not previously have. My parents also learned the skills and strategies that they needed in order to help support and advocate for me. Today, I am attending a Post-Secondary program after completing a full OSSD with an award for the most community involvement for volunteering within the town of Richmond Hill for over 600 hrs. I have a part time job, a full G driver's licence and some really great friends. Please allow for this application to be passed so that other children can get the same quality help that I did.

Thank You,

Jamie Goodman
