Subject: protest regarding 15 colesbrook rd subject

Dear Madam or Sir,

I am a resident of 18 colesbrook rd. I strongly disagree with the new subject of rebuilding.

The intersection of Gamble and colesbrook is already very busy, no traffic light here, cars have to wait quite a time to turn left or right. Adding 17 dwellings that means close to a hundred people would severely block this spot. Traffic safety and noise would also definitely influence the neighborhood very badly.

We wish our community would be more safe and relaxed.

Please reconsider the plan

Best Regards,

Jessy Tang
