## **Part One – The Preamble**

### **1.1 Purpose**

The purpose of this Amendment to the Richmond Hill Official Plan is to re-designate the subject lands from “Employment Corridor” to “Medium Density Residential” on Schedule “A” – Land Use Plan to the North Leslie Secondary Plan in order to facilitate the construction of a townhouse development proposal on the subject lands.

### **1.2 Location**

The lands affected by this Amendment are located on the east side of Leslie Street, south of 19<sup>th</sup> Avenue and north of Elgin Mills Road East, legally described as Part of Lot 30, Concession 3, E.Y.S. and municipally known as 11491 Leslie Street (the “subject lands”). The subject lands have a total lot area of approximately 0.36 hectares (0.89 acres) and are shown on Schedule 1 attached hereto.

### **1.3 Basis**

The proposed Amendment is considered by Council to be appropriate for the following reasons:

1. The Provincial Policy Statement (PPS 2020) sets out the overall direction on the matters of Provincial interest related to land use planning and development, and includes policies stipulating that settlement areas shall be the focus of growth and development, and that an appropriate range and mix of housing options and densities shall be planned for and provided. The proposed development is consistent with the PPS.
2. The Growth Plan for the Greater Golden Horseshoe (Growth Plan) sets out the overall policy direction for the Greater Golden Horseshoe on a wide range of matters including economic development, land use planning, urban form and housing. The Growth Plan directs growth and development to settlement areas, and supports the achievement of complete communities through a range of housing options and densities within greenfield areas. The proposed development conforms with the Growth Plan.
3. The new York Region Official Plan (ROP, 2022) designates the subject lands “Urban Area” and supports a full range and mix of urban uses while recognizing that the new community area of North Leslie has been planned in a comprehensive and coordinated manner consistent with the policies of

York Region through the City of Richmond Hill's Secondary Plan for the area. The proposed development conforms with the ROP, 2022.

4. The subject lands are located within Chapter 9 - North Leslie Secondary Plan, of the City of Richmond Hill's Official Plan. The existing "Employment Corridor" designation of the subject lands permits a range of employment land uses such as industrial, institutional, retail, and personal type uses. The re-designation to "Medium Density Residential" maintains the general intent and purpose of the goals, objectives, and policies of the North Leslie Secondary Plan and contributes to the projected population and employment growth of the City and York Region. The proposed development will contribute to the establishment of the North Leslie Secondary Plan area as a complete community and will contribute to the Region meeting the density targets established.
