I am writing to oppose the proposed Official Plan Amendment and Zoning By-law Amendment.

- Hall Street in the "Village of Richmond Hill", serene part of the town, should not be allowed to be over populated.

- Hall Street in particular is restricted with regards to parking. Worse in the winter when we get a lot of snow.

- 14 storey building? 265 units? This street cannot accommodate this volume of added traffic and residences. It is highly inappropriate and absurd to plant a 14 storey building in the midst of town homes and single family dwelling. This will ruin the visual landscape and serenity of the street.

I shall be attending via zoom.
