Subject: Re: Richmond Hill Page Updates - Official Plan Update

Hello, just wanted to put in a quick email saying I am not a fan of the official plan for the Oak Ridges Local Centre allowing for 8 story residences now instead of 4.

I get the need for more high density housing across GTA, and I lived in such at Willowdale on Yonge for many years. But Oak Ridges with Lake Wilcox and Bond Lake is likely the prettiest neighbourhood you can find on Yonge in the GTA, and it has the potential to look like Main Street Unionville or Main Street Markham, but definitely harder to do so with 8 stories instead of 4.

Thanks so much, cheers.
