3) DEFINITIONS

For the purposes of this By-law, the following definitions shall either be added to, or shall replace the existing definitions outlined in Section 6:

a. FLOOR AREA, GROSS

Means the aggregate of the floor areas of a building above established grade, measured between the exterior faces of the exterior walls of the building at each floor level but excluding mechanical penthouses, any below grade areas, any space with a floor to ceiling height less than 1.8 metres (5.9 metres), unenclosed balconies and terraces, and any space for utilities purposes.

b. GRADE, ESTABLISHED

Means with reference to a building or structure, the average elevation of the completed surface of the ground where it meets the exterior of the front segment of the building facing Leslie Street.

c. HEIGHT

Means with reference to a building or structure, the vertical distance measured from the established grade of such building or structure to the highest point of the roof surface, but excluding parapets, mechanical penthouses, and other roof structures decorative to the intent of the building or structure which are less than 6.0 metres (19.7 feet) in height and that do not occupy more than 40% of the area of the roof upon the location of such decorative roof structures.

d. MECHANICAL PENTHOUSE

Means the rooftop floor area above the livable area of an apartment dwelling that is used solely for the accommodation of mechanical equipment necessary to physically operate the building such as heating,

ventilation, air conditioning, electrical, telephone, plumbing, fire protection, and elevator equipment, and includes walls and structures for the purpose of screening the mechanical penthouse and equipment.

e. STOREY

Means that portion of a building between the surface of a floor and the floor, ceiling or roof immediately above, provided that any portion of a building partly below grade level shall not be deemed a storey unless its ceiling is at least 1.8 metres (5.9 feet) above established grade.”

2. All other provisions of By-law No. 2325-68, as amended, consistent with the foregoing, shall continue to apply to the lands shown on Schedule “A” attached hereto.
3. The imperial measurements found in this By-law in brackets are provided for information only and are intended to be an approximate conversion of the metric measurements. The metric or SI measurements shall be deemed to be the standards established by this By-law and, wherever there is a variance between the metric or SI measurements and the imperial measurements, the metric or SI measurements shall apply.
4. Schedule “A” attached to By-law No. _____-23 is declared to form a part of this By-law.

READ A FIRST AND SECOND TIME THIS _____ DAY OF _____, 2023.

READ A THIRD TIME AND PASSED THIS _____ DAY OF _____, 2023.
