Subject: Zoning by law change application for 1 -Cynthia cres Richmond Hill Lot 13 plan M36

Hi ,

We are the residents of 1 -Grovepark st Richmond hill which is right across from the subject property . We strongly object to this change to two additional lot . Doing this will impact the value of our property and as well as the neighbourhood. Majority of lots on cynthia cres are estate lots . Out lot right across to this property is 121 feet by 143 Feet . This will impact the entire demography of the area. we will attend any meeting. Please keep us informed.

Regards

Saneh Bhardwaj
