**Importance:** High

Hello, the City Clerk

I'm the resident of 38 Anglin Dr, Richmond Hill L4E 3M5.

Thank you for your letter regarding City Files# D02-21009 and SUB-21-0003 (D03-21003). I'm writing this mail to state that my family and I STRONGLY OPPOSE this proposal.

1. The density of new houses is too high, destroying the harmony and style of the entire community.
2. The surrounding roads and facilities cannot satisfy so many new residents.
3. The developer is profitable obviously, they only want to greedily make more money.

If this plan is approved, it will seriously harm the quality of life and the tranquil environment of surrounding residents. We hope the government could carefully review this case and seriously consider our concern.

The above is the consensus of our family. Thank you for taking the time to review the case. Kindly let me know if any further information required.

Yours Sincerely,  
Wei DING  
38 Anglin Dr, RH
