

Architectural rendering of a multi-story building with four views: North East, North West, South East, and South West. The building features a modern design with a mix of glass and solid facade panels, and a stepped, terraced roofline. The North East view shows the building from a low angle on a street corner. The North West view shows the building from a similar low angle, highlighting a large dark entrance. The South East view shows the building from a low angle, with a green lawn in the foreground. The South West view shows the building from a low angle, with a green lawn in the foreground and other buildings in the background. The rendering is presented in a clean, professional style with a white background.
