

Site plan for the proposed development at the intersection of Bayview Avenue and Elgin Mills Road East. The plan shows three phases of development: Phase 1 (central), Phase 2 (bottom), and Phase 3 (top). Phase 1 includes Building A and Building B. Phase 2 includes Building C and Building D. Phase 3 includes Building E and Building F. The plan also shows parking areas, access routes, and wetlands. A flood line is indicated on the right side. The plan is dated July 18, 2013, and approved by the City of Markham on March 14, 2014.
