Subject: National Summit to Combat Antisemitism

Hello.

It has come to my attention that on Wednesday Feb 21, Counciller Karen Cilevitz will be forwarding a private Member Motion to urge the federal government to convene a second National Summit to Combat Antisemitism in Canada. I fully support appearing as a delegation either virtually or in-person in Council Chambers.

Please include my comments in the public record, and note that in October 2023, I was assaulted by a pro Hamas protester while holding a sign of one of the hostages.

The incident occurred at College and University in Toronto on Sunday October 29th.

Police have determined it to be a hate crime and published a suspect. To date, no charges have been filed.

Sincerely

Olga Goldberg.
