- 11.4. Any building or structure deemed derelict, or the equivalent of derelict in accordance with section 11.3 shall be eligible for development charge credits if a building permit is issued for a building or structure on the lands previously occupied by the deemed derelict residential building or structure within 120 months or less of the issuance of demolition permit for the deemed derelict building or structure. The calculation of the development charge credit shall be made in accordance with Section 11.1, the total amount of which shall be based on the time that has passed between the date of issuance of the demolition permit and the date of issuance of the building permit as set out in Schedule D.

15. No Refunds Arising Out of Reductions or Credits

- 15.1. Notwithstanding anything in this By-law to the contrary, whenever a reduction or credit is allowed against a development charge otherwise payable pursuant to this By-law and the total of such amounts exceeds the amount of the development charge payable pursuant to this By-law, no further reduction(s) or credit(s) shall be allowed and no refund shall be payable.

16. Payment By Money Or Credits for The Provision of Services

- 16.1. Payment of development charges shall be by cash or by certified cheque.
- 16.2. Where any development charge, or any part thereof, remains unpaid after the date on which it is payable, the amount unpaid shall be added to the tax roll and collected in the same manner as taxes.
- 16.3. In the alternative to payment by the means provided in subsection 16.1, the City may, by an agreement entered with the owner, accept the provision of services in lieu of the payment of all or any portion of a development charge pursuant to subsection (1) of Section 38 of the Act.
- 16.4. If, pursuant to an agreement, the City allows an owner to perform work that relates to a service to which a development charge relates, the amount of the credit towards the development charge for such work shall be the reasonable cost of doing such work as agreed by the City and the owner, provided however, that no credit may be given for any part of the cost of the work that relates to an increase in the level of service that exceeds the average level of service described in paragraph 4 of subsection 5(1) of the Act.
- 16.5. In any agreement made in accordance with subsection 16.3 of this By-law, the City may agree to give a credit in relation to another service to which this By-law relates.
- 16.6. In any agreement respecting credits arising from a development charge payable under any other development charge by-law, the City may agree to give a credit related to a development charge payable under this By-law.

17. Reserve Funds

- 17.1. Development charge payments received by the City pursuant to this By-law shall be maintained in a separate reserve fund or funds for each service to which the development charge relates and shall be spent only for the capital costs determined under paragraphs 2 to 7 of subsection 5(1) of the Act.

18. Interest on Refunds

- 18.1. Where this By-law, in whole or in part, or any development charge prescribed hereunder is amended or repealed by Order of the Ontario Land Tribunal, or if a development charge that has already been paid is reduced by the Council of the City pursuant to Section 20 of the Act, or by the Ontario Land Tribunal pursuant to Section 24 of the Act, the Treasurer for the City shall calculate forthwith the amount of any refund or overpayment to be refunded as a result of the said amendment or repeal.
- 18.2. Refunds that are required to be paid under subsection 18.1 shall be paid to the owner who made the payment.
- 18.3. Refunds that are required to be paid under subsection 18.1 shall be paid with interest to be calculated as follows:
- a. Interest shall be calculated in accordance with the Bank of Canada rate from the date on which the overpayment was collected to the date on which the refund is paid;
 - b. Interest on refunds for the period for which interest is payable pursuant to subsection 18.3.a. shall be calculated and paid on a fluctuating basis in accordance with the quarter-yearly adjustment of the interest rate as established in subsection 18.3.c.;
 - c. The Bank of Canada interest rate in effect on the date of coming into force of this By-law shall be adjusted quarter-yearly thereafter on the first business day of January, April, July and October in each year to the rate established by the Bank of Canada on that date of the adjustment.

19. Exemption Where Development Charge Paid in Full

- 19.1. Subject to subsection 19.2, notwithstanding any other provision in this By-law, no development charge shall be payable where the full amount of a development charge imposed pursuant to this By-law or a predecessor thereof has previously been paid on the net hectares of land related to the development.
- 19.2. Where,
- (i) the proposed development is related to land for which a development charge imposed pursuant to this By-law, or a predecessor thereof, has been paid and in the calculation of that development charge, the reduction provided for in subsection 4.2, or predecessor thereof, was applied, and
 - (ii) subsequent to the payment of the development charge provided for in subsection 19.2(i), the land related to the development was the subject of a plan of subdivision pursuant to section 51 of the *Planning Act*, or a consent pursuant to section 53 of the *Planning Act*,

the exemption provided for in subsection 19.1 shall not apply to any area of the land determined to be in excess of .0929 hectares in calculating the development charges paid previously.
