Background:

Section 270(1) (3) of the Municipal Act, 2001 requires that Council adopt and maintain policies with respect to its procurement of goods and services. The City's current procurement framework came into effect in January 2017, with the enactment of the City's Procurement Policy By-law 113-16 and Financial Control By-law 114-16. These by-laws were recently amended by By-law 141-20.

Pursuant to By-law 113-16, as amended by By-law 141-20, the Commissioner of Corporate and Financial Services shall provide a semi-annual report to Council detailing all non-competitive sole-source and single-source acquisitions.

Sole-source and single source acquisitions generally are required under the following circumstances:
