Dear Giuseppe,

I hope this email finds you well. I am writing to formally express my opposition to the proposed amend for the lands at 11 Harris Avenue.

A 10 storey, mixed use building, residential and commercial will have significant negative impact on our community environment, and infrastructures. and I strongly believe that the negative consequences outweigh the proposed benefits.

I urge you and your team to reconsider the proposed project and explore alternative solutions that align more closely with our community's values and long-term vision .

Thank you for taking the time to consider my perspective. Please notify me of any update on the proposed.

Sincerely

Henry Hou
