Subject: Concerns on Project at 107 Hall Street

Dear Sir and Madam

I am writing to you to express my worries and concerns regarding the new project on 107 Hall Street. Building 15 Story Condo with 300 units will make the area way too packed, therefore, it will cause the obvious problems for the all of residents (including newly moving in ) , such as traffic exceeding capacity of the residential streets. I have to say, this project does not fit this neighborhood and will devastate the community.

Kindly please revisit and redesign this project, in order to suit for sustainable development on the city of Richmond hill and local communities. I am hoping the city council can look at the big picture of the city of Richmond Hill and listen to the voices of the local community.

I may not be able to attend the meeting held on May 21, but I do hope my voice can be heard.

Yours sincerely

Aaron
