**Subject:** Development opposed, West Gormley Secondary Plan

Hello,

I am sending this email to state that I am opposed to the recent development plan. The West Gormley Secondary Plan was created to promote low-rise developments that blend harmoniously with the surrounding environment

What we need is some local stores. And an infrastructure that supports what is here. Stouffville road is heavily utilized and can't support any more traffic. What is being done to improve the flow of traffic. Leslie and Bathesda are also soon going to be packed.
