Subject: Request for Information and Notification – Zoning By-Law Amendment
Application by Z13028348 Canada Inc. – 0 Laurier Avenue

Dear Clerk's Office & City Planner Diya Matroja,

We are writing to formally and respectfully request detailed information regarding the zoning by-law amendment application submitted by Z13028348 Canada Inc. for the lands legally described as Lots 508, 509, and 510 on Registered Plan 133, also referred to as 0 Laurier Avenue.

As adjacent property owners, we have serious concerns about the potential impact of any proposed changes, especially given the existence of a retaining wall that separates our properties.

We respectfully request access to all available materials related to this application, including but not limited to:

- Original and revised site plans or architectural drawings
- Specifications or details regarding the proposed structure(s)
- Documentation comparing the original proposal to the revised application

We also request to be notified of any updates regarding this application, including progress through the review process and any decisions regarding its adoption, approval, or refusal.

If these materials are available digitally, we would appreciate receiving access or links.

Thank you for your attention to this matter. We look forward to your response.

Sincerely,

Daniela & Fabio Nardo
