City Planner Diya Matroja

To whom it may concern,

Attached you'll find a list of signatures of neighbouring home owners in opposition of the above development application submitted by Pat Rotundo. While I am not the formal voice of all the home owners, suffice it to say that these signees are against the proposed plan for the 4 semi-detached homes and some will be present during the formal meeting to voice their concerns.

Please include me and my contact email as a formal request to receive notices on adoption, passing or refusal of the proposed Zoning By-Law Amendment.

Regards,

Marco Angelini
