Subject: Fwd: Arnold Crescent, Highland Lane and Elizabeth Street Road Reconstruction

Reference to item 15.1.3 on the agenda for the November 26 council meeting.

Regarding “no parking” proposal on South side of Arnold Cres.

ie. Parking allowed only on North side of Arnold Cres.

I completely disagree with this proposal. There are fewer houses/driveways on the South side and the houses have larger front lawns. To allow parking only on the North side is NOT desirable at all from an aesthetics or safety aspect.

The main safety issue arises from vehicles parking on the curve of Arnold Cres. where it turns from East/West to North/South direction. Vehicles parking on this bend in the road forces other driving vehicles into the oncoming lane on a bend with limited visibility. Very unsafe in this section only.

I absolutely oppose the proposal to designate the South side of Arnold Cres.as “no parking”.

Please pass this message on accordingly for the council meeting.

Thank You,

Paul Ashworth, CPA
