Subject: Parking restrictions on Arnold Crescent

Hi Jonathan Sealey.

I have been out of town and on my return yesterday I have a communication from you dated November 11th, 2025 concerning parking changes on Arnold Crescent. You say the changes are "in response to safety concerns raised by the community. I would like to know who, when and where the community have raised these concerns. This is the first time I have received information about the changes and I certainly do not agree to the proposed revisions.

I would like Council to know that I am vehemently opposed to the parking changes contemplated.

My concerns are reducing the speed limit and the introduction of traffic calming speed bumps on Arnold.

Thank you,

Brendan Murphy.
