Good morning

This is the residence of 103 Arnold Cres Richmond hill Margaret and Claudio Perruzza.

We oppose these parking regulations.

We support lowering the speed limit but wish to oppose parking on the street.

This regulation will limit guests/ family to visit and social events for our neighbors.

There has never been a problem.

We ask the city just to fix the road and stop implementing more money grabbing rules.

Please provide acknowledgement of receiving this email and confirm that it will be used at the meeting on November 26.
