Subject: Opposition to Closed-Circuit Television Video Cameras (CCTV)

RE: April 1 st , 2026 Committee of the Whole 12.3 Member Motion – Councillor Liu – Funding to Support additional Closed-Circuit Television Video Cameras (CCTV) in Richmond Hill

Dear Clerk,

I am writing as a resident of Richmond Hill to express my strong opposition for the proposed initiative to fund and install five additional CCTV cameras in high-risk areas across our community.

This proposal represents an unnecessary invasion of the privacy of the residents of and visitors to Richmond Hill. I also do not believe it will be effective in reducing crime or improving the safety of Richmond Hill.

I respectfully urge Council to reject this motion.

Thank you for your consideration.

Sincerely,

Michael Tucker
